

## WHO ARE YOU?

We are always looking for interesting conversations for our [More Than a Few Words](#) podcast. If you think you would be a good guest for our conversation, please listen to a few episodes so you get a feel for the flow of the program. Then send us a topic idea and some contact information and we will take it from there.

### About You

## MARKETING RESOURCES

We will post the episode on our iTunes and Podbean channels. We will also share the episode along with a blog post on our website and promote it in our social channels. We are looking for guests who would be willing to share the show to their audiences as well.

After we review your information, we will be in touch to schedule a recording time.
